

Most important school supply? -- A Growing Healthy Child

Make sure your growing child is "school-ready"

- ☑ **Yearly HealthCheck exams:** a complete well-child check-up with vision, hearing, dental screens and other developmental checks right for his age and stage by his pediatrician or family doctor
- ☑ **A development evaluation** from the WV Birth to Three program if you have concerns about your infant or toddler's development
- ☑ **Learn developmental milestones** and use specific activities to help your child reach their full potential
